

# Pitch Please

“A failure to deliver results is due to either a failure to plan adequately or a failure to execute properly”

Do you know the process you would need to use to turn your product insights into a great company?

**Tecnoesis 2020** presents before you the much-awaited pitching competition “**Pitch Please**” under the module **Empresaario**. The contest aims to promote innovation-driven solutions to solve various challenges. Something as simple and small-scale initiative as their summer project or a research endeavor, come up with your ideas and pitch it in front of a panel of experts and judges and let them examine your ability to evaluate the market, customer needs, product usability.

The registration process for **Pitch Please** has started. The top 3 winners will get **prizes worth 20k**.

Do not miss on this opportunity. Apply at the earliest.

Apply Now! This is your chance to Win Big.

The last date for registration is **28th October 2019**.

## Rules and Regulations:

- Each team will be given 5 minutes for presentation and two minutes for queries from the expert panel.
- Each team must be present 15 minutes prior to their scheduled timings for presentation.
- Each team has to bring their presentations and submit it to the organisers before commencement of the competition.
- Each team may bring their own proposed/working model or website in support of their proposal.
- The results announced by the panel members will be the final one.

**Dates** – 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> February 2020

**Venue** – Startup Centre, NIT Silchar
