IF I WERE THE CEO

Description

Everyone may have dreamt at least once in their life to be a CEO of a company. CEO is the one who inspires people to be their very best and to strive for happiness within themselves and also be helpful and compassionate to other people. Being the CEO is not only to inspire other people but the one who takes important and volatile decisions required by a firm for it's internal and external growth.

So, hereby E-Cell, NIT Silchar presents you the event "If I Were the CEO" under the module "**Empresaario**" for this "**Tecnoesis 2020**".

Rules and Regulations:

1. This is an online event.

2. It consists of two real world problems(questions).

3. Solutions must be submitted within 500 words for each problem.

4. Submission of solutions to both the problems are mandatory.

5. Solutions must be genuine and two participants must not have similar answer.

6.Students must participate individually.

7. The portal will be open for 4 days.

PRIZE WORTH – 3K
